## **Industry Structure & Developments**

The Non Banking Financial Services ( NBFC ) industry in the private sector in India is represented by a mix of a few large companies with nation wide presence and a large number of small and medium sized companies with regional focus. These NBFCs provide a variety of services including fund based, and fee based activities, and cater to retail and non-retail markets, and niche segments.

The increased penetration of the banking sector in all segments of the financial services industry and reduced direct costs of borrowing for high quality borrowers, have greatly reduced business opportunities for NBFCs.

Over the last several years, an effective regulatory framework has been implemented, bringing in wide ranging changes on Prudential Norms, and a continuous monitoring mechanism, thereby improving the overall levels of investor protection.

## **Business Review**

Your Company's operation continues to be mainly focused on the area of financing and investments in shares.

## **Leasing**

The Company did not conduct any leasing activities during the year.

## **Opportunities & Out Look**

There has been instability in the world and Indian economy in recent years. Also the increasing competition in the domestic financial market is not helping the company's long-term growth prospects. Hence, having a short-term positive outlook would be far-fetched. Your company looks to stabilize in the long run.

## **Challenges**

The entire NBFC sector faces competitive pressure from the banking sector, which enjoys access to lower cost financing. The spreads in the lending business have also narrowed considerably. Despite that we are trying to overcome the challenges and expect a good result in future.

## **Risks and Concerns**

Your Company is exposed to specific risks that are particular to its business and the environment within which it operates, including interest rate volatility, economic cycles, market risk and credit risk. Your Company manages these risks by maintaining a conservative financial profile, and by following prudent business and risk management practices.

## **Adequacy of Internal Control**

Your Company has a proper and adequate system of internal control to ensure that all activities are monitored and controlled against any un-authorized use or disposition of assets, and that the transaction are authorized, recovered and reported correctly.

Your Company ensures adherence to all internal control policies and procedures as well as compliance with all regulatory guidelines.

The Audit Committee of Board of Directors review the adequacy of internal controls.

## **Human Resource Development**

Given the current financial scenario, the company has reduced its employee capacity to 2, in order to cut costs. Your company believes in striving for efficiency at minimum cost.

## INDEPENDENT AUDITORS' REPORT

### To the Members of ORCHID SECURITIES LIMITED

#### Report on the Financial Statements

We have audited the accompanying financial statements of **ORCHID SECURITIES LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2013, the Statement of Profit and Loss and Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;

*NOTES TO AND FORMING PART OF FINANCIAL STATEMENTS AS AT 31<sup>ST</sup> MARCH, 2013*

## **1. GENERAL INFORMATION**

Orchid Securities Limited is a publicly owned company, incorporated on 9<sup>th</sup> March, 1994, registered with the Registrar of Companies, West Bengal. Its operation includes dealing in Shares and Securities and given loans.

## **2. SIGNIFICANT ACCOUNTING POLICIES :**

### **2.1 Basis of preparation of financial statements**

- a) The financial statements are prepared in accordance with Generally Accepted Accounting Principal (India GAAP) under the historical cost convention on accrual basis and on principals of going concern. The accounting policies are consistently applied by the Company.
- b) The financial statements are prepared to comply in all material respects with the accounting standards notified by the Companies (Accounting Standards) Rules, 2006 and the relevant provisions of the Companies Act, 1956.
- c) All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule VI (Revised) to the Companies Act, 1956. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.
- d) The preparation of the financial statements requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between the actual results and estimates are recognized in the period in which the results are known/materialize.

### **2.2 Fixed Assets**

- a) Fixed Assets are stated at cost less accumulated depreciation. The Company has capitalized all cost relating to the acquisition and installation of Fixed Assets.
- b) Depreciation is provided as per the Straight Line Method at rates provided in schedule XIV of the Companies Act, 1956.
- c) The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the higher of the asset's net selling price and value in use, which is determined by the present value of the estimated future cash flows.
