Notes:

- The working results for the Quarter ended March 31, 2021 have been arrived at after considering provisions for Non-Performing and Standard Assets as per Reserve Bank of India guidelines, provision for taxes and other necessary provisions.
- The above results have been reviewed by the audit committee and approved by the Board of Directors in their meeting held on 29/06/2021. The above results pertain to Acme Resources Limited on Standalone and Consolidation basis.
- NBFC Business is representing the financing business and sales/purchase of properties are included under 'Property trading'.
- The aforesaid figures are standalone financial results of the Company. Prior period figures have been regrouped wherever necessary to conform to the current period presentation.
- The Company has granted moratorium upto six months on the payment of installments falling due between March 01, 2020 and August 31, 2020 to all eligible borrowers based on the Board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines dated March 27, 2020 and May 23, 2020 relating to 'COVID-19 - Regulatory Package' and RBI guidelines on moratorium dated April 17, 2020. Further, period for which moratorium was granted had not been considered for computing days past due (DPD) as on March 31, 2021. Extension of such moratorium benefit to borrowers as per the COVID-19 Regulatory package of the RBI by itself is not considered to result in significant increase in credit risk as per Ind AS 109 for staging of accounts. The Company continues to recognise interest income during the moratorium period and in the absence of other credit risk indicators, the granting of a moratorium period does not result in accounts becoming past due and automatically triggering Stage 2 or Stage 3 classification criteria.

The COVID-19 pandemic has significantly affected various sectors of Indian economy. The prolonged lockdown imposed by the government due to Covid-19 pandemic has affected the Company's business operations as some of the borrowers has defaulted in repayment of interest and Principal. Due to which, the Provision of Rs. 2404.63 lakhs has been made. However, the actual impact may vary due to prevailing uncertainty caused by the pandemic. The Company's management is continuously monitoring the situation and the economic factors affecting the operations of the Company.
